**“Sharing the Joy of Quilting,”  
Virtual Show April 1-30, 2021**

The show will be open the month of April with interactive demonstrations and classes. We look forward to purchasing the latest fabrics, notions, equipment, and seeing demonstrations offered by our online vendors.

The show will be hosted on the Foothill Quilters Guild Website. There is no cost for attendees of this virtual show. We will have 200 plus quilts on display. Judging will be performed by professionals as well as attendees. The website will have interactive links to our featured vendors. We are inviting vendors to host demonstrations, classes, tutorial's, trunk shows and advertise your special pricing on your website. We will work closely with each vendor to ensure that this virtual quilt show offers the best opportunity for success and profitability. This will be an interactive one-month show.

We will gladly entertain any ideas you have for making this virtual show a success. If you are able to provide trunk shows, tutorials, demonstrations, or classes on your website, we will advertise your offerings on a month-long calendar that will accompany our virtual quilt show. Therefore, we will ask for dates and times of your virtual presentations so that we can be assured that attendees can access activities throughout the month. All attendees will be able to access this calendar. Feel free to contact either of the co-chairs below. We anticipate a great virtual show and hope you will join us.

Please feel free to include a coversheet with the application that lists the events, dates, and times that you are hosting on your website for the FQG virtual show. Your completed application and check are due to Linda Baustian by January 15, 2021.
