

**Discovery Day – January 23, 2021, 11:00 – 3:00 pm, via Zoom Meeting**

## **INVISIBLE MACHINE APPLIQUE**

Tips and Techniques

Supply list

### **Machine Supplies**

Sewing machine capable of Blind Hem Stitch or Zig Zag Stitch

#60/8 microtex needles

60 wt. thread to match background

Monofilament invisible thread – clear or smoky

Open toe presser foot

### **Other tools**

Awl or tiny screwdriver for turning edges on applique

Sharp scissors

### **Project supplies**

Fabric as desired for the project

Background fabric 20 x 20"

Additional fabric strips (use your project fabrics) 3"x 6" (4-6 strips) for testing stitches

Water soluble stabilizer sheets – \*\*the first two are my favorites

    \*\*Hugs and Kisses Applique paper (HNKHABY13)

    Or \*\*Wash away applique sheets (C & T Publishing)

    Or Pellon Print, Stitch, Dissolve Water Soluble Paper Stabilizer

    Or Floriani Stitch and Wash Water Soluble Tearaway Stabilizer.

    Other brands may work, but I have not tested them.

Glue stick such as Sewline, or Quilters Select.

Roxanne's Glue Baste it

### **Optional**

Very light weight interfacing
