

# Disappearing 9-Patch Quilt By Sally Fried

## Supply List

### **FABRIC:**

To make a quilt size 42” by 48”:

- 42 - 5” I spy squares, or a large print
- 49 - 5” sashing squares (white or a light color)
- 14 - 5” cornerstone squares (solid color)

To make a quilt size 49” by 56”:

- 56 - 5” I spy squares, or a large print
- 64 - 5” sashing squares (white or a light color)
- 19 - 5” cornerstone squares

**Note:** 1 yard of fabric makes 56 - 5” blocks.

I use charm packs and I have lots of “I Spy” blocks to share. I think this quilt would also make a great quilt for someone in a wheelchair because it’s so easy to adjust the size.
