

DISCOVERY DAY HONEYBERRIES QUILT

This document covers the following items:

1. *Pattern*
2. *Supplies*
3. *Fabric requirements / suggestions*
4. *Class preparation*

- **PATTERN:**

- a. HONEYBERRIES: The pattern is available for download from Martingale website and as of January 9, 2023, the cost is \$2.25
- b. <https://www.shopmartingale.com/honeyberries-quilt-epattern.html>
- c. If you can't download the pattern let me know.

- **SUPPLIES:**

- a. Sewing machine with extra needles
- b. Ruler -8 ½" wide by 18"-24" inches long (we'll supply some)
- c. Rotary cutter
- d. Rotary cutter mat
- e. Iron and ironing surface – some will be provided
- f. Straight pins
- g. Friction pen
- h. Seam ripper
- i. * 8 ½ x 8 ½" creative grid ruler (Optional – if you have one)

We will provide:

- j. Parchment paper
- k. Diagonal Seam tape

- **FABRIC REQUIREMENTS / SUGGESTIONS:**

- You may use a jelly roll, yardage, or strips – the most important thing to consider is that there should be a clear distinction in contrast – light/dark value, different hues (colors), for example.
- If using a jelly roll, separate your strips into two piles: one pile of the lightest strips and one pile of the darkest strips.
- You may also choose a different color for your background fabric.
 - The background yardage needed for the 45" x 45" quilt is 1 1/3 yards.
 - The background yardage needed for the 45" x 60" quilt is 1 ¾ yards.
- For a completed 45" x 45" quilt.
 - You will need 36 total strips:

- 18 strips of one color / shade and 18 strips of the other shade or value
- Each strip should measure 2 ½" x width of fabric.
- For a completed 45" x 60" quilt
 - You will need 48 total strips:
 - 24 strips of one color / shade and 24 strips of the other shade or value
 - Each strip should measure 2 ½" x width of fabric.
- **CLASS PREPARATION – BEFORE THE DAY OF THE CLASS**
 - **Sew at least 4 strip sets – each strip set consisting of 2 alternating light and 2 dark fabrics--2 ½" wide and the width of the fabric (typically 42")**
 - **Light**
 - **Dark**
 - **Light**
 - **Dark**
 - You will need 9 (4 strip) strip sets (for 45" x 45" quilt) total so go ahead and sew them if you have time. In the class we will make at least one block. You will need 9 blocks total finished, for the 45x45 quilt.
 - Sew with an accurate ¼" seam allowance.
 - Press all strip sets with the seams pressed toward the dark fabric.
 - Bring to class ready to begin cutting and sewing. Please DO NOT cut your strip sets before coming to class.

Call or text me (preferred) if you have questions.

Looking forward to sewing with you!

Peggie
