

Supply List for **Scrappy Bargello Quilt**

Discovery Day - September 20, Sunday, 1:00 – 4:00 pm via Zoom Meeting

Taught by - Mona Wooden

Basic Supplies:

Sewing machine and basic sewing supplies will be on hand since everyone will be at their home station. We will be ironing our blocks, so you will need your board and iron ready.

Fabric:

PRE-CUT STRIPS - This is a great way to use lots of scraps. Strips are 2 1/2" by 18". You can use fat quarters, jelly rolls or leftover strips. You will need 6 strips for each block, so try to have lots of strips pre-cut if you want a very scrappy look. Make sure to include a range of light, medium and dark colors.

If you don't pre-cut, please join the class as well. It will be easy to catch up.

If you have any questions, please call Mona. See you soon!
