

# Discovery Day Feb. 17 2018

## Design Board

**Teacher:** Jan Petre

**Class Date:** Feb. 17, 2018, 11 am – 3:45 pm at Bernhard Museum  
291 Auburn Folsom Road, Auburn, CA

### Supplies Required:

1. Foam Board -  $\frac{1}{4}$  inch thick x 20 x 30 inches is a good size. It can be thicker, just not thinner. You can use whatever size you want. Michaels and Jo Ann's usually carry these.
2. Batting – a piece that will cover your foam board and wrap to the back 3 inches on all sides.
3. White Flannel – a piece that will cover your foam board and wrap to the back 4 inches on all sides.
4. Clear vinyl – medium to heavy guage. The piece needs to be 5 inches larger than the size of your foam board in all directions. It will work best if this is rolled, not folded.
5. Wood piece – strip of wood  $\frac{1}{4}$  inch thick x  $1\frac{1}{4}$  inch wide (approx.) x length of the long side of your foam board. If your board is 20 x 30 you will need a 30 inch long wood piece. Lowes and Home Depot will cut you a piece.
6. Command Picture Mounting Strips – you will need 4 size large (you can find these at Home Depot, Target etc).
7. Duct tape – Jan will supply
8. Double sided tape – Jan will supply
